A Concert to Benefit the New Rochelle Fund
for Educational Excellence

January 2007

Dear Friends:

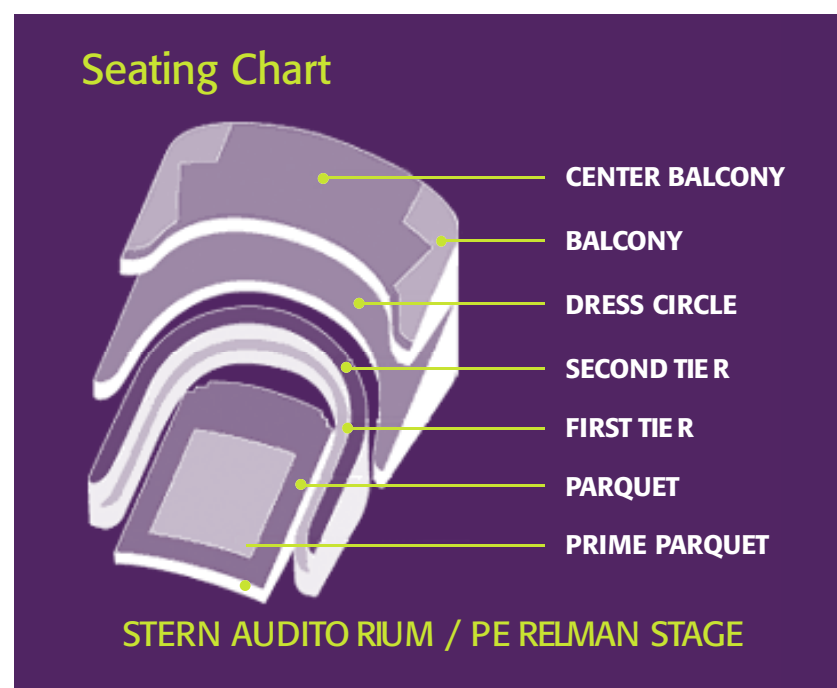

On Wednesday, April 25, 2007, over 400 outstanding student musicians from New Rochelle High School will be performing **“On Stage at Carnegie Hall.”** Yes, THE Carnegie Hall in New York City. This is an event that you do not want to miss. Our band, orchestral and choral students are already hard at work preparing for the concert and the excitement in the rehearsal rooms is palpable. We look forward to welcoming noted actor Matthew Arkin as our Master of Ceremonies and esteemed actress Frances Sternhagen as special guest speaker. The program will include a wide variety of musical selections — something for all tastes — so plan to bring every member of your family, and your friends, too! In addition, the music students are preparing a tribute to legendary opera singer Robert Merrill, a long time New Rochelle resident. Included in this mailing are all the details you need to be a part of this very special New Rochelle event.

There are many ways for parents, grandparents, community members, business owners and friends to participate, including attending the concert, joining us for our very popular pre-concert reception (to be held in Carnegie Hall), and/or sending a congratulatory message in our commemorative journal. Not only will the concert provide a unique opportunity for these students to perform in a world-renowned concert hall, it is also a benefit for the New Rochelle Fund for Educational Excellence, a not-for-profit organization that provides educational enrichment programs throughout the New Rochelle school district. Proceeds from the concert will support Agenda Books for Freshmen, the SAT Preparation Program, Chess in Our Schools, the Rubie Saunders Fall Literary Festival, Civics Week, the Band Recognition Luncheon, Theatre Arts Production Assistance, the Science Speakers Bureau, Poetry Out Loud, and our wonderful new Museum of Arts and Culture at NRHS.

“On Stage at Carnegie Hall” promises to be a thrilling night for our community, so order your tickets today. We look forward to seeing you there. In the meantime, the students will “practice, practice, practice”!

Yours sincerely,

Audrey Mlotek
Concert Chairperson
